Since 2003 the National African American Corvette Club (NAACC) has been the only Corvette Club of its kind, bringing Corvette owners of like minds together from coast to coast. The NAACC is an energetic group of Corvette lovers who enjoy fun activities centered around their favorite cars.

The NAACC's members and events are primarily located in Houston where we support "**No More Victims**", a shelter for children of incarcerated parents. We are however hoping to build chapters nation-wide. Join now and help us build a club chapter in your town!

Why the "National African American Corvette Club"?

There are millions of Corvette owners in America. There are thousands of Corvette Clubs in America. There are several Corvette magazines in America.

If you are a minority and own a Corvette, you are in good company. There are hundreds of thousands of Corvette owners who happen to be minorities. We are in every state. We are in every town. Search for a Corvette Club whose members are minorities in cities where you travel, and if you're lucky, there is one. But the clubs are scattered and singular. If you subscribe to any Corvette magazines on the market, you would think no minorities own Corvettes.

The NAACC is the only club in America designed and formed with the specific purpose of bringing Corvette owners of like minds together under one club, one banner, one purpose: "Promote the Corvette hobby and provide the catalyst for members to meet, associate, form new and continuing friendships and have fun."

The vision of the NAACC is to establish a network of chapter clubs from coast to coast. As a member of the NAACC, you are a club Ambassador and can help us achieve our goal by sharing your experience with your friends, associates and relatives in cities and states all over America. Direct them to the website and encourage them to contact us; we will help them get started.

Thank you in advance for helping us share the vision!.

A MESSAGE FROM THE HOUSTON CHAPTER PRESIDENT

As the newly elected President, my vision is to share fresh outlook and goals featuring the club in all community functions, parades, fund raisers, Night out, Charity, etc. I will provide give-a-ways to the community. With great attendance to all functions and a winning smile, I am a member you can depend on. I purchased my Grand Sport in 2013 and joined NAACC the next year. In 2016 I was voted in as Vice President. I served as Cruise Committee Chairman. Dedication to service and sponsoring children of the NAACC charity "No More Victims" is a passion for me.

Sincerely,

Barbara Coffman
